

Details of Adult Participants

Experience has shown that we need to have the emergency contacts and personal details of all leaders and other adults participating in courses. This allows us to respond appropriately in the rare occasions when a person is injured, ill, or otherwise incapacitated. Please cooperate by completing this form and returning it to us at least 2 weeks before arrival.

PERSONAL DETAILS

DECLARATION - *To be completed by persons taking part in courses run by Lagganlia staff.*

I undertake to make a full declaration of any medical complaint or condition that may affect my participation in this course. Whilst I understand that every effort will be made by the staff at Lagganlia to care for my safety, I appreciate that some of the activities can be dangerous and that accidents could happen.

I understand that I am at liberty to withdraw from any activities I do not choose to take part in.
